

Quality Policy

Lymington Precision Engineers, (LPE) manufactures precision machined components and provides engineering solutions. The scope of this Policy is applicable to the Gosport Street and Gordleton Lymington addresses as defined by the management system.

The company will actively pursue ever improving quality through programs that enable each employee to do their job right the first time and every time. We are committed to understanding the customers expectations and satisfying their requirements.

Principles in achieving our Quality Objectives: -

- *The CEO and all employees are committed to ensuring that the Quality systems are effective and continually improved. In addition, LPE will comply with all applicable Legal and Other requirements to which it subscribes.*
- *The Senior Management Team will set measurable Quality Objectives and targets and review these at regular intervals.*

This Policy shall be communicated to all employees and persons working for and on behalf of the company and will be made available to the public via the company website.

Martin Barnes

CEO
